

### CLEANING YOUR ATHENA VANITY

**White Gloss Cabinet Finishes;** Only use a damp cloth to clean

**Other Standard and Laminate Cabinet Finishes;**

For best results we recommend the use of Athena Vibrance Acrylic Surface Cleaner

**Exochique Cabinet Finishes;**

Please refer to separate document download; *Exochique Cabinet Finish Care and Maintenance*

**Glass and Mirrors;** Use a trusted glass cleaner

**Acrylic\*, Mineral Composite and Vitreous China vanity tops;**

For best results we recommend the use of Athena Vibrance Acrylic Surface Cleaner

**Stone Bench Tops;** Only use a damp cloth to clean

\*Light scratches can be removed from an Acrylic vanity top by using 'Brasso' or fine 'wet & dry' sandpaper, followed by polishing with a fine car cutting compound.

Deep scratches, we recommend an experienced Acrylic Repairer is contacted.

#### IMPORTANT PLEASE READ:

- The vanity must not be exposed to excessive moisture e.g. directly beside a bath or open shower
- The materials used in the manufacture of Athena vanities are water resistant NOT WATERPROOF
- Never expose any part of the vanity to solvent based cleaners
- If the installation is likely to encounter excessive moisture please consult your merchant for further advice
- Ensure water temperature at the tap outlet does not exceed **55°C**. This is a requirement of the New Zealand Building Code and will **void the product warranty** of your Athena vanity top

### VIBRANCE BATHROOM CLEANERS

Vibrance cleaners have been specifically developed for surfaces commonly used in the bathroom. Vibrance range of cleaners will not cause damage to Athena's range of products and will clean bathroomware to maintain a like-new finish.

(Before using on other bathroomware please test on an inconspicuous area)

**Vibrance Acrylic  
Surface Cleaner**

### PRODUCT WARRANTY

If your Athena vanity is not installed correctly according to the installation instructions supplied with the product then the warranty may be void. We recommend using a professional tradesman to ensure warranty requirements are met during installation.

**WARRANTY PERIODS;** Vanity Cabinets, Tops and Basins - 5 years / Mirrors 2 years

*Warranties are for residential domestic use only. Products used in commercial applications carry a 1 year warranty*

Athena Bathrooms (the "Company") warrants that products or product components manufactured and distributed by the Company ("Products"):

- meet or exceed the standard requirements of the New Zealand Building Code; and
- will be free from inherent defects in materials and workmanship for the extended warranty period applicable to the Product.

The Company will provide a replacement product or replacement part (or the nearest equivalent) free of charge where an Product is covered by this warranty. **Any remedial works will not be covered by the company.**

This warranty is transferable provided proof of purchase details are passed on to the new owner.

This warranty will not apply where the Products have been improperly installed, have been misused, proof of purchase cannot be provided or where the warranty claim has not been notified to the Company within three months of the problem first appearing.
